

"ADS & GIFTS THAT BENEFIT" PROGRAM

Supporting Local Caregivers and Community Organizations

TheCommunityGuide.net, published by First Connections, Inc., would like to honor, recognize, show appreciation, and help support local Caregivers – an amazing group of individuals, who tirelessly and lovingly give the gift of themselves every day to care for others in need.

Through our "Ads & Gifts that Benefit" Program, TheCommunityGuide.net – a unique online resource for anyone living in or visiting the Ulster County area – is coordinating the collection of Gifts/Gift Certificates for the benefit of local caregivers and other community organizations that support caregivers (for their fundraising efforts). Gift donations are tax-deductible.

Additionally, TheCommunityGuide.net will donate a portion of its ad sales to support caregivers and other charitable organizations that impact our local communities.

Please consider participating with TheCommunityGuide.net and supporting our "Ads & Gifts That Benefit" Program.
